MAYORAL ELECTION MARCH 13TH, 2013

Town Local Business

ELECTION INFORMATION WEDNESDAY, MARCH 13, 2013

Polls will open at the Municipal Building, 5508 Arapahoe Drive, Forest Heights from 11:00 a.m. through 8:00 p.m. Wednesday, March 13, 2013. The election will be conducted by the Town's Board of Elections. Only registered voters will be permitted to vote in this election.

Voters are reminded that we will be using paper ballots. They will have write-in capability; however, inadequate identification of a person for whom a write-in ballot is cast makes that ballot subject to disqualification. Election results will be published in the regular March edition of the Forest Heights' newsletter and the newly elected officials will be sworn into office at the March 20, 2013 Town Meeting.

ABSENTEE VOTING

1. Any voter who is qualified and registered to vote in the Town Elections is entitled to vote by absentee ballot, provided the following conditions are met in accordance with Section 1 of Charter Amendment Resolution 1 of 1992:

That the voter expects in good faith to be unable to vote in person for the reasons stated in 1.a. or 1.b.

JACQUELINE GOODALL FOR MAYOR

Thank you for the confidence that you had in 2011, when you elected me to become Mayor. I promise to continue the Vision for a Sustainable Forest Heights and will work hard to keep moving Forest Heights Forward. I am asking you to Re-Elect Jacqueline Goodall as Mayor of Forest Heights on March 13th, 2013 to continue the progress made.

I have worked towards a more accountable, effective and efficient town government while addressing the needs of the citizens and providing quality service from all departments. Our Police, Public Works, Code Enforcement and Administration Departments will continue to improve to provide service to our residents.

I have fought to maintain the integrity of our community and will continue to seek ways for our town to grow into a Sustainable Community. Recognizing that the burden of operating our town cannot continue to be shouldered by only our home owners, I am diligently working to annex surrounding business and commercial areas to relieve some of the burden and fighting for an impact fee from the County in accordance with state law due to the proximity of a casino to the town.

I will continue to bring funding to the town through grants and awards from the county, state, and federal sources. I have improved our infrastructure by leveraging town funds utilizing grants and money received from the speed camera in addition to working with, but holding the utility companies accountable when they have done work in our town to restore the streets and sidewalks in as good or better condition than when they began the work.

I will continue to work with the Forest Heights CDC, our schools, churches and local stakeholders to develop programs that will help prepare all of our children for the future, to continue to bring programs to address the needs of our Senior citizens and to work to bring county services to this area.

I will continue to work through collaboration with other municipalities to bring programs such as the Weatherization Program to help middle income citizens in our town receive assistance for energy upgrades at no or low cost and to continue our low income programs to assist homeowners.

I will continue to develop and improve relationship with other municipalities and our county, state and federal officials to assist Forest Heights as we move forward.

Since 2007, I have dedicated myself to being a public servant to the citizens of Forest Heights. I have diligently worked to improve the way of life and the condition of our town and the surrounding area. I ask for your continued support. Qualification: Degree in Urban Development and Planning from Indiana University, Certification from the Academy of Excellence for Local Governance, Leadership Training from National League of Cities, and currently working towards a degree in Public Administration, Recipient of the Ellen Fraites Wagner Steward Award for the Chesapeake Bay and completed training as a Watershed Steward from the Anacostia Watershed Society.

ANDREA MCCUTCHEON FOR MAYOR

VOTE ANDREA MCCUTCHEON Mayor

I am a candidate for Mayor for the Town of Forest Heights. I have been a resident of the Town since July 2003. I was elected Mayor for a two year term March 2009 and have served as Councilwoman Ward II May 2006 through March 2009. While on the Town Council I served as Council President and Acting Mayor. I served my community with several volunteer hours during my tenure as an elected official. I never took advantage of my position as Mayor or Councilwoman for personal or financial gain.

During my term as mayor there was transparency of the business and finances of our Town. All monies were appropriated and spent according to the finance rules and regulations. Quarterly reports of the finances and amendment made to the Town Charter and Ordinance were routinely published in the Town Newsletter. This was done to keep residents aware of what Town government was doing. Transparency is a requirement to maintain the trust of all. We were able to complete three delinquent audits that saved the Town from losing its Charter.

We were able to complete several improvements and replacement of Town assets. The leaky roof was replaced with a green roof, there were energy efficient windows placed throughout the Town Hall, old police and public works trucks were replaced with new ones, the meeting room, computer room and kitchen were completely remodeled including furniture for the council and chairs and tables for the room. Prince George's County gave us a \$100,000.00 special appropriation grant to assist with the renovations.

The speed camera was implemented during my term slowing the traffic down on Indian head Highway. The camera made it safer for pedestrian traffic and generated several thousand dollars for police and public safety expenditures.

We implemented the Town and Police Department web sites and governmental email accounts.

Our police were proactive providing more visibility which served as a deterrent to criminals casing daily in Forest Heights. The Neighborhood Watch program was revamped and the residents got involved. The members had several group walks throughout the Town.

We had recruited more than 30 volunteers to assist with after school tutoring, neighborhood watch, movie nights and other activities we had for the youth and residents. This saved the Town thousands of dollars in salaries to employ people to run the programs.

Elect Andrea McCutcheon for accountability. I will as before, be transparent with all Town Business and Finances and encourage resident participation in all programs. Look forward to TAX CUTS rather than increases.

ROBERT O. BARNES, JR. FOR COUNCIL MEMBER WARD I

Robert O. Barnes, Jr. –RE-ELECT for WARD 1~~MOVING FORWARD

My name is Robert O. Barnes, Jr. (Mike), and I have lived in Forest Heights since 1971. I'm married with 2 children Michael age 34 and Eric age 33 both of who grew up in and attend Forest Heights Schools. As a Verizon Technician one of my last assignments was with a group known as Federal Systems, a military contract which provided Tech Support for military installations, my work group was at the Pentagon on 9-11, and as a result of that experience I decided to retire effective December 31 that same year.

Last election I was successful as a write-in candidate; a campaign initiated as a result of a suggestion from my wife, Council President C. Lynn Smith-Barnes and Town Citizens. For the last 2 years I've been the new kid on the block, so to speak, learning how the government works, and attend MML classes in order to implement what I've learned in an effective manner, that education is ongoing.

I now serve on MML's Ad HOC HEPAC Committee (Emergency Preparedness)

The Council Liaison to the Neighborhood Watch Program (prior to being an active participant before my election).

I believe this Mayor and Town Council have made some remarkable accomplishments in the last two years and I am proud to be a part of it. I am asking for your support on March 13, 2013 so that I may continue to help with that FORWARD MOBILITY.

My accomplishments year to date include:

- Instrumental in having the first Shredding Program come to Forest Heights (to be on going)
- In conjunction with Councilmember Reifsneider we started the **60 PLUS Program** (Card Playing and Bingo), Food Share Program (with St. Marks Church)
- Introduced the Resolution to begin "The Police Departments Rewards Program"
- Co-ordinate the bus for the trip to the National Harbor's Senior Expo Volunteer(ed):
- Forest Heights Day Committee (set up, clean up, assisting wherever needed)
- Stream Cleanup (helping to pick up trash and debris in the area)
- Driving citizens to the Nationals Game
- Act of Kindness Day (helping your neighbor or town citizen clean up their home)
- Park & Recreation Activities (Halloween, Holiday, etc.)

Always remember, no matter who you decide to vote for, just "GET OUT and VOTE"

Thank you, and hope to see you at the polls

Councilmember, *Robert O. Barnes Jr. (Mike)*

BILL CLARKE FOR COUNCIL MEMBER WARD III

VOTE FOR BILL CLARKE

Ward 3 Council Member

Town Residents,

I am writing to ask for your vote for Ward 3 Council Member. As a resident of the Town of Forest Heights for the last 39 years, I have seen our town undergo many changes. I want to bring back our town spirit and the pride in community we once had! Not too long ago we had a cohesive town that gathered for community events, funded Forest Heights softball and t-ball teams, and had summer programs for our youth. More importantly, we had a community that was proud of their town government. I know with the right people in office we can get their once again!

After being wounded in the Vietnam War, my family settled in Forest Heights. I have always loved this town. Both of my children attended local schools, played on Forest Heights softball and baseball teams, and my son, Bobby (the Pittsburgh Steeler fanatic) and my wife Kathe (my wife of 47 years and the baker of all those good cakes we shared at town meetings). When we first moved here, I became President of the Forest Heights Recreation Council.

We organized a yearly haunted house and other community events such as pancake breakfasts and community dances. I also coordinated an annual Memorial Day service to honor those who served our great nation. My commitment to this town went even further, when I accepted a job with the town of Forest Heights. I recently completed 25 years of service, my last work years as the Public Works Supervisor.

My years in military services, my time living and working for this wonderful town and my 18 years serving as a Treasure of the Disabled American Veteran, Chapter 17, have taught me many things. I understand and respect public office and the fiduciary and community responsibility bestowed on such a position. Of all the lessons I have learned, HONOR, RESPECT and LOYALTY are key and that is what you will get if you vote for me!

Thank you for your time! Remember you vote counts. Do you civic duty and vote!

HABEEB-ULLAH MUHAMMAD FOR COUNCIL MEMBER WARD III

Statement of Habeeb-Ullah Muhammad For Town Council Ward III

I am a candidate for the office of Town Council Ward III !! I have been a resident of Forest Heights more than 30 years and I am a registered voter.

I have devoted several years of volunteer work and service to the Town under five mayoral administrations; Paula Noble, Joyce Beck, Larry Stoner, Andrea McCutcheon and Jacqueline Goodall. I served on committees for Forest Heights day, the children's tutorial program, assisted staff in the town's administrative offices, and served as chair of the Neighborhood Watch Committee.

I am concerned about the security of our town, especially the security of our senior citizens. I believe more attention should be given to all the youth in our town encouraging them to participate in the programs we can provide such as tutoring, mentoring and special activities.

The residents of our town should; be encouraged to participate in town meetings and committees, stay informed of what decisions the Mayor and Council are making in our behalf, and the Council should ask for input from the residents to have an idea of how we feel about the different items before them prior to decisions being made. We should all be kept informed of what our Mayor and Council are doing.

For the reasons I have mentioned, I am asking for your vote to elect me as Councilwoman Ward III.

Yo soy candidata para la oficina del cónsul del área III de la ciudad, yo he sido residente de la ciudad de forest heights por más de 30 años soy votadora registrada

Me preocupa la seguridad de nuestra ciudad en especial la de nuestros ancianos también creo que más atención debe ser dada a nuestra juventud instándoles a participar en programas que podemos proveer como actividades, estudios y consejería los residentes de nuestra ciudad deberían sentirse parte y participar en sesiones de la ciudad y comités estar informados de las decisiones que hace el alcalde y el comité de la ciudad por todos nosotros.

El cónsul debe pedir la opinión de los residentes para tener idea como todos opinamos antes de hacer decisiones, todos debemos estar informados de lo que hace nuestro cónsul y alcalde.
